Foreword

Remembrance is a wonderful thing. This year of high school has given us many special memories, which we have tried to preserve in the yearbook. In its pages the students and teachers who populated the halls and classrooms of our school are waiting. The varied activities that students participated in are also there, awaiting the moment of recognition. Our wide sports program will provide many special thoughts in years to come. Thus, we proudly present a record of the events of the past year, so that years from now we can open this book, sigh, and say, "I remember when!"

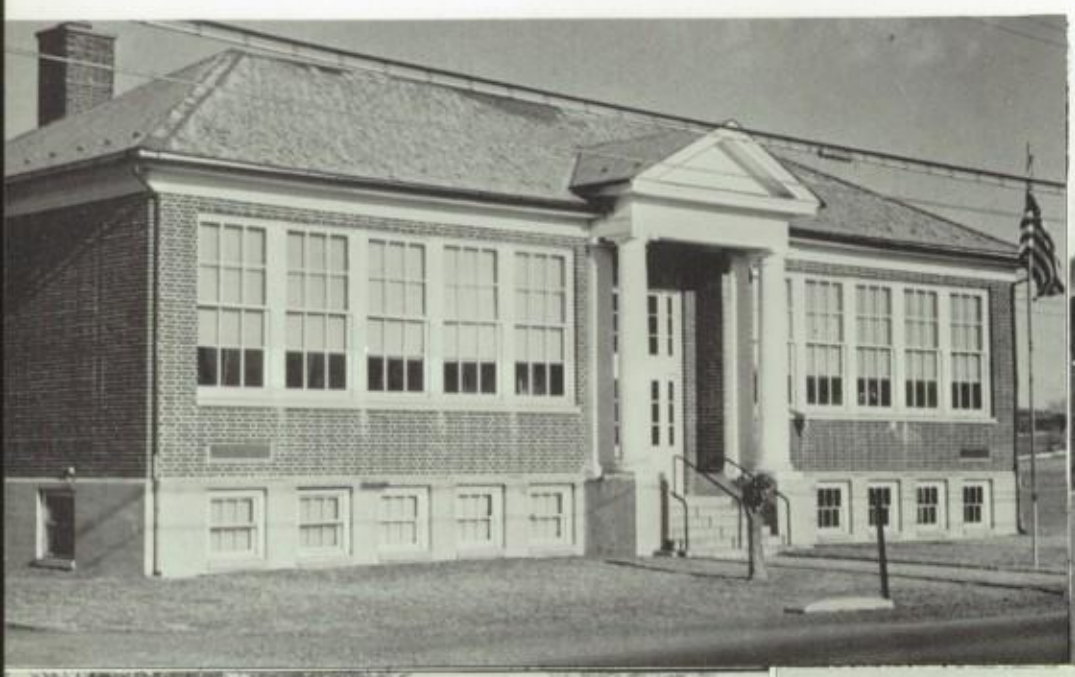
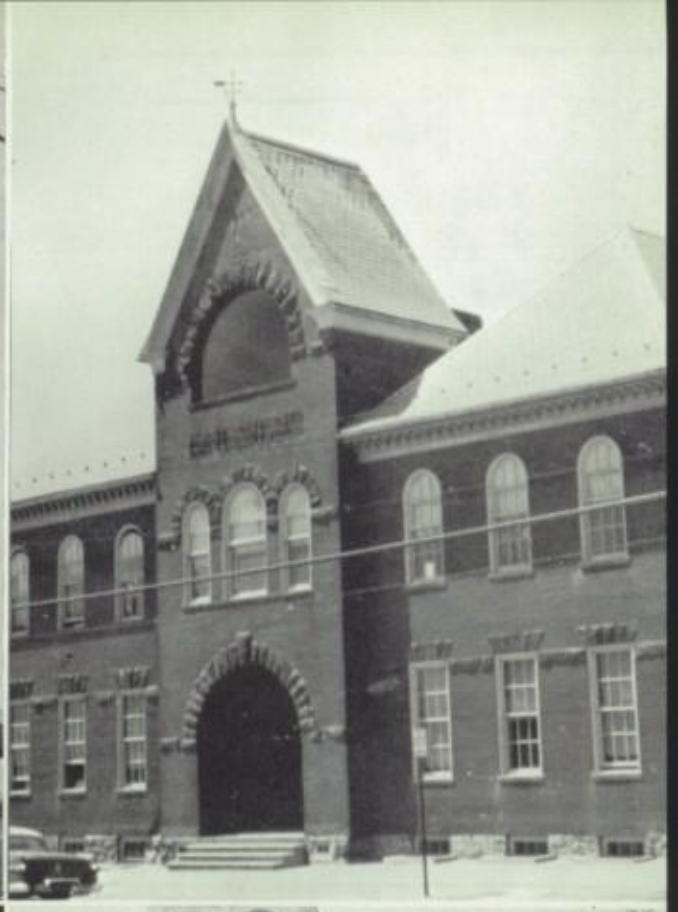
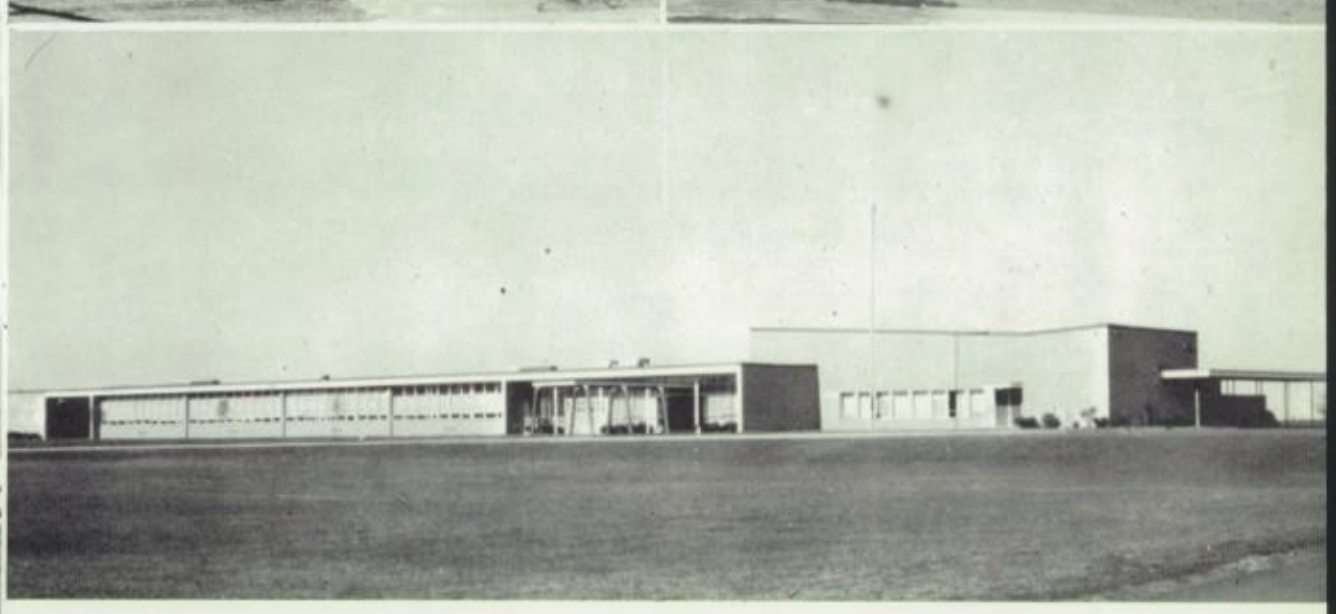
Nazareth Provides Facilities To Benefit Our Educational Growth





During the school year 1958-59, the Area Joint School Boards and the Committee of the Boards approved the presentation of forming a completely merged school district (kindergarten through 12th grade) to the area electorate. The merged district won electorate approval at the General Election in November, 1958, and is now in effect. The Floyd R. Shafer Building was the first new school built as a result of this merger. Michael's and Leibert's schools, formerly used for elementary education, have been leased to the Northampton County School Board to be used as special education centers. Fairview, also a former elementary school, will become an administration building.



Physical Growth Stimulated By New And Progressive Activities

Our Class of 1967 has seen many changes and additions to the extracurricular activity program. Most of these innovations were ardently accepted and received enthusiastic participation from students.

Wrestling, a relatively new sport in Nazareth, provided an excellent opportunity for boys of all sizes to take part in the athletic program. This year's wrestling team proved to be one of the best. Coached by Raymond Nunamaker, the team demonstrated good sportsmanship and great ability. The competition created by joining the League greatly increased the interest in girls' basketball. Coach Ruth Ann McCay helped strengthen the abilities of the spirited, hardworking girls.

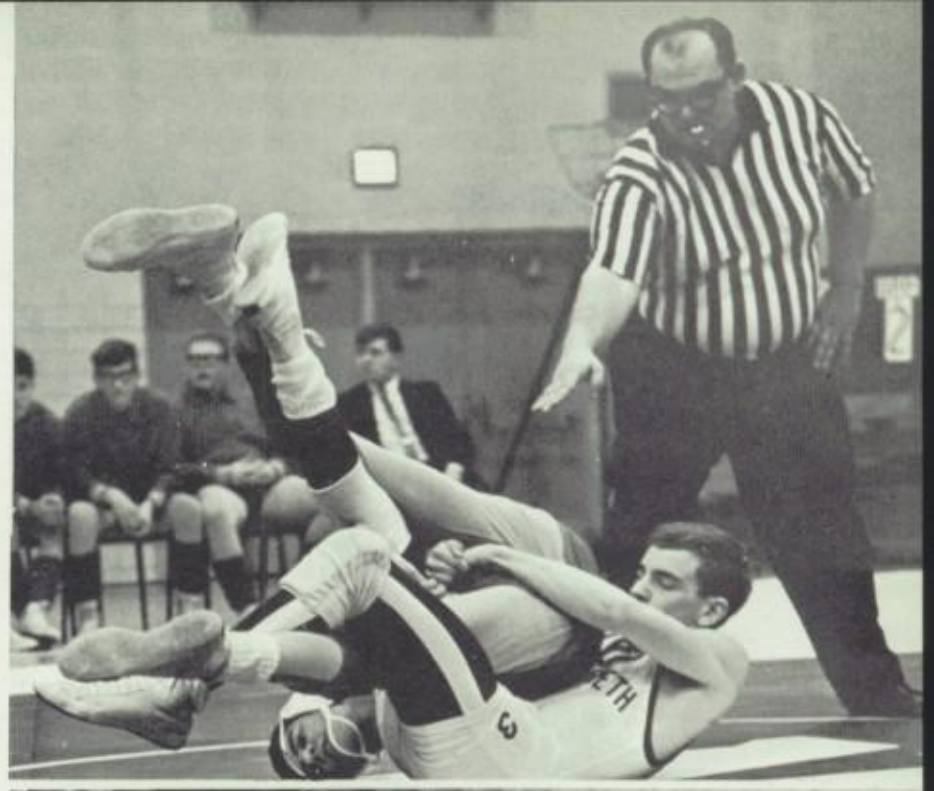
J. Frederic Knecht and Mrs. Miriam Zell began English and history seminars to complement the learning of interested students. College texts were used as a basis for discussion.

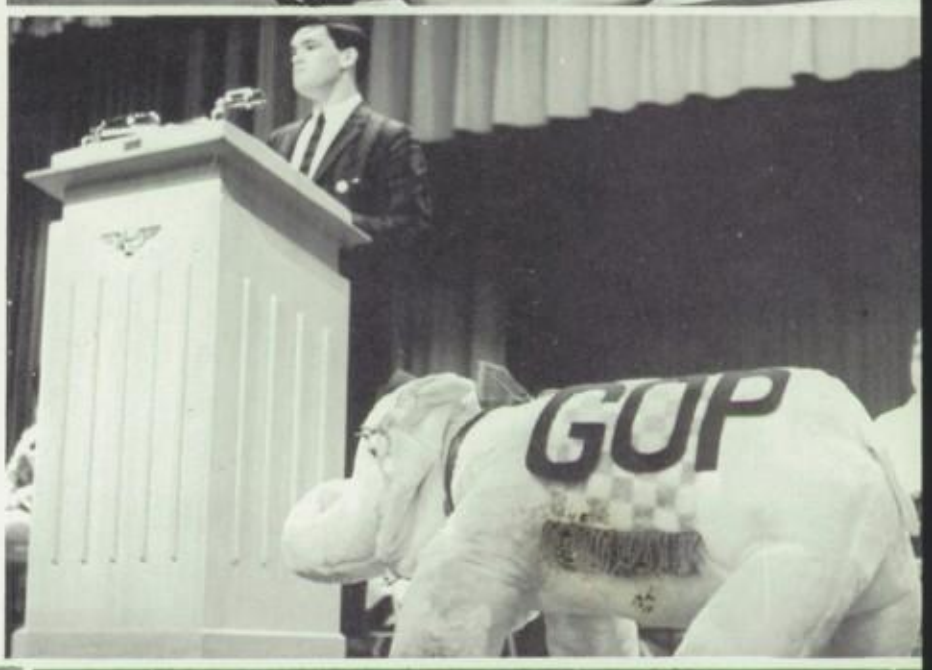
Many new choral groups, such as the Girls' Sextet and the Barbershop Quartet have been introduced by Floyd Schlegel. These groups spent many hours of their own time preparing for singing to the student body as well as for the public.

Politics, one of the most interesting subjects of today, was explored by the Political Club, advised by Ronald Lewis. This activity gave the students a new insight into the workings of government. This year the club held a mock convention, campaign, and election for governor.

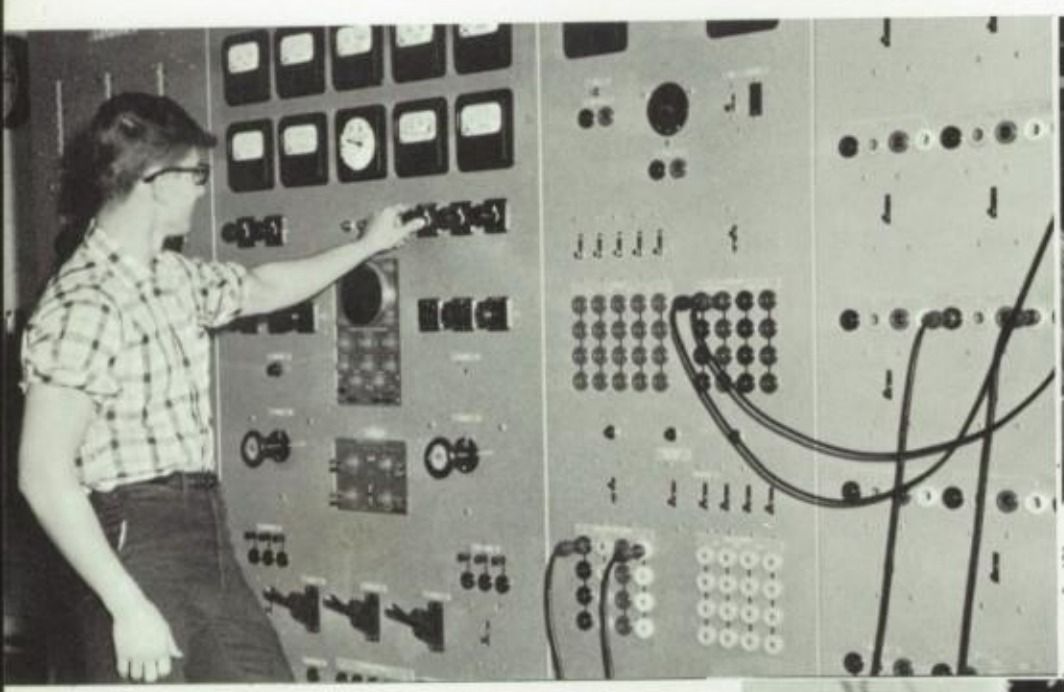
The ever-changing world of art was not overlooked. Talented students displayed their projects and illustrations of this rapidly varying field in the windows of the auditorium lobby so that passing students could study the work. Robert Lichner, art teacher, taught students the essentials of art, while the pupils themselves added their creative talent.

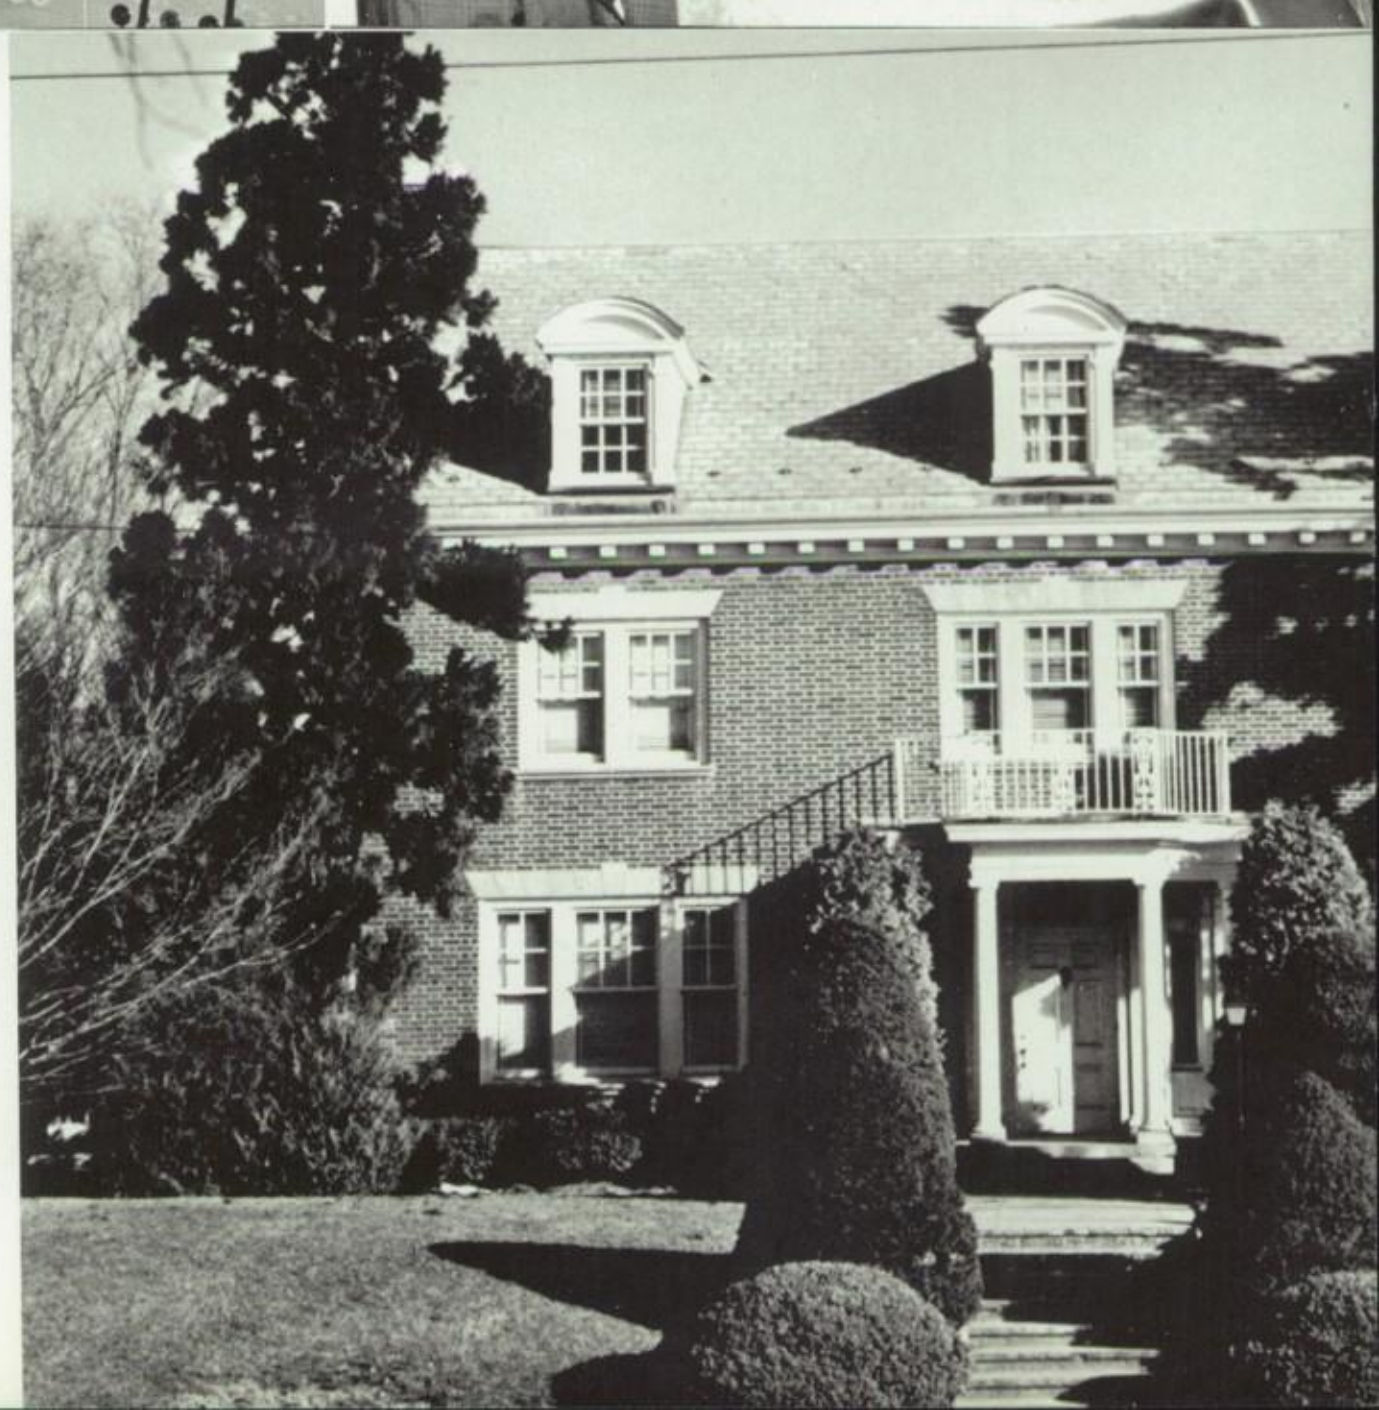
A highlight of the year was realized when Mrs. Judith Kehler, home economics teacher, and Debbie Kershner demonstrated the art of gift wrapping on educational television.

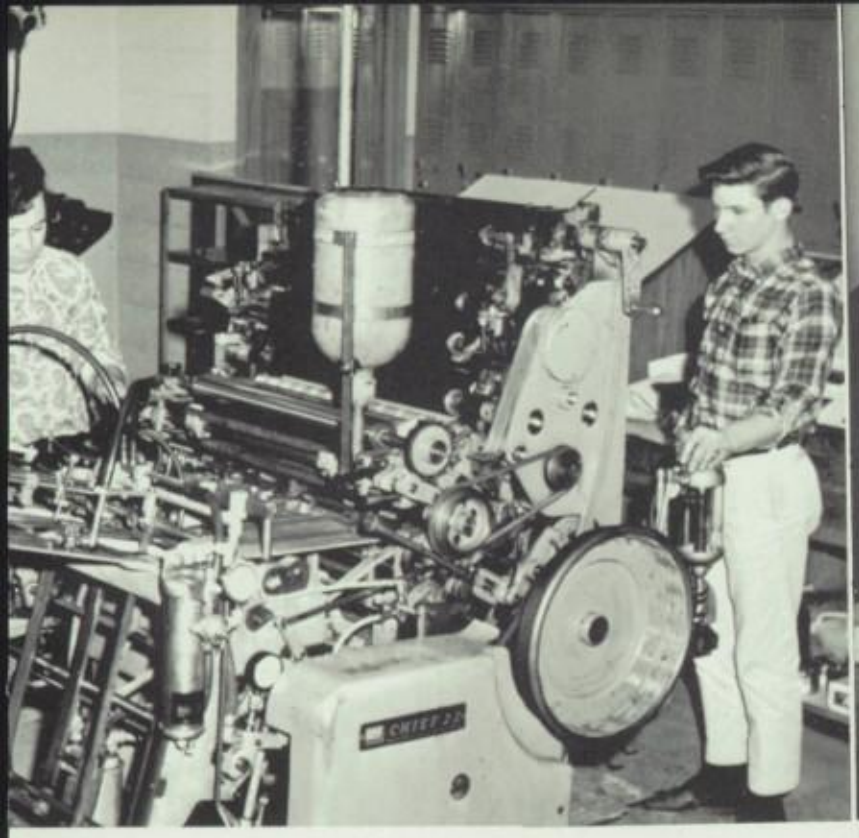




New Community Ideas Help Students Develop Their Skills

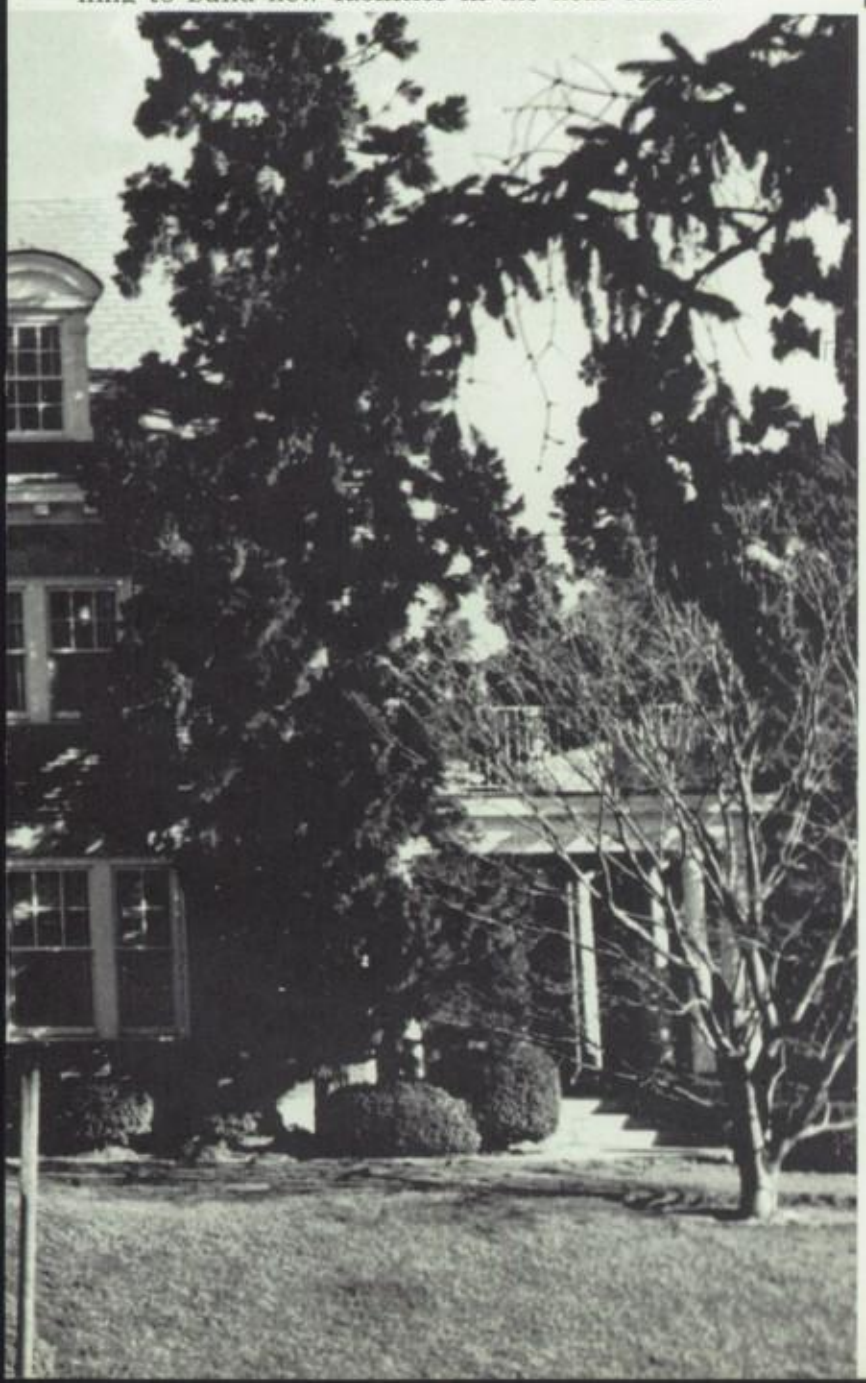






Soon the Nazareth Library will be moved to the Trumbower home, where it will continue to offer students the resources for a good education. Another educational advancement will be started this fall in the form of a Community College. Pictured in the upper right hand corner are Dr. Richard C. Richardson, Jr., President, Troy Rhoades, Nazareth's representative to the Board of Trustees, and Karl Werkheiser, Dean of Northampton County Area Community College.

This was the first year Nazareth has been a full member of the Vocational-Technical School of Eastern Northampton County. Students attended this school for half a day to develop their skills in such areas as automotives, printing, and technical design. Members of the distributive education program spent part of their day working in a store. Rapidly expanding, the vocational-technical school is planning to build new facilities in the near future.



Expanding Facilities Desire For

Motivate Students' Mental Growth

In order to achieve a well-rounded curriculum, constant growth in the form of modern equipment, varied courses, and new methods of teaching is essential.

To keep the laboratories up to date, the science department purchased the latest and newest equipment. A summer school course in advanced biology enabled students to put their book learning to use on field trips to streams and ponds.

In the field of physical education, a new balance bar was introduced. Nazareth was one of the first schools in the Lehigh Valley to use this piece of equipment. The bar was instrumental in developing students' body and muscle control.

Among the new machines used in the business department were a selectric typewriter, an IBM transcribing machine, a ten-key printing calculator, and an automatic bookkeeping machine. These machines contributed valuable experience to students planning a career in office work.

Notable additions to the math department also occurred. Aside from the courses previously offered, such as geometry, algebra, and trigonometry, an advanced math class was started for students who have already had three years of algebra and wish to enhance their knowledge in this field. New models showing the structures of cones and various other geometrical forms were used in classrooms to increase students' understanding.

All classes were given the opportunity of using movies from the Regional Film Library housed at the Washington School in Bethlehem. This service provided films which complement the educational programs in Northampton, Monroe, and Pike Counties. It operated under a system in which fifty cents per student was deposited in a mutual fund which was in turn used to purchase and distribute the films to various schools. Through the use of this program, teachers were able to provide a more interesting and profitable course of study.

Students at Nazareth Area Senior High School were able to experience the progress and growth in education so necessary in today's ever changing world.

School Board Creates New

Our Nazareth Area School Board instigates and approves changes and improvements for all levels of the school system. Recently, the Board has made many new decisions covering various aspects of school life, ranging from new posts to grading systems. Now the administration must carry out and develop these concepts.

The Board recently established three new positions. As the new supervisor of reading, Miss Beverly Fuller evaluates reading programs throughout the entire district. She then assists the principals in establishing a more comprehensive program of reading instruction. The new director of elementary education, Jack Drew, coordinates instruction in all elementary schools. Among the duties of the new administrative assistant, James Feather, is the coordinating of federal programs in this area.

A committee of teachers has recommended to the school board that a new ranking system be put into effect in the senior high school. When calculating rank in class under this program, the school office would weigh all courses according to the difficulty of that subject in relation to other courses in the same area.

Another suggested project calls for the revision of secondary school report cards.

Creating special committees to deal with current problems is still another task of the Board. Consisting of members of the professional staff, several new committees will delve into the problems created by school drop-outs and will work on a program of evaluation of teachers.

The Board members have also proposed an addition to the senior high school, as a larger number of students than are desirable already occupy the present building. The proposed addition would provide ample space for the next ten years, and would allow the enrollment to expand to 950 students. In addition, the Board is also considering a new elementary school for Lower Nazareth Township. The construction of these buildings is not definitely established, and remains in the planning stage.

CROSSING THE BAR

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea.

But such a tide as moving seems asleep,
Too full of sound and foam,
When that which drew from the boundless deep
Turns again home.

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;

For though from out our bourne of time and place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.

ADMINISTRATIVE STAFF

Since 1956 Herbert F. Cobley has been the Superintendent of Schools for the Nazareth Area School District. As head of the administration, he supervises the carrying out of all decisions made by the school board concerning the operation of the school system, taking the final responsibility for all schools from elementary to senior high levels. Having received his B.S. degree from Kutztown State College, Mr. Cobley earned his M.A. in Administration and Supervision at Lehigh University.

With such a responsible position, Mr. Cobley has a pressing daily schedule. Not only must he carry out a series of meetings or interviews on many phases of the school system, but he also tries to convey the aims, goals, and programs of the Nazareth Area School District at the many meetings he is asked to attend.

Business Manager of the district, Wilfred J. Sheetz works with the finances of the school district and prepares the annual budget. Mr. Sheetz is a graduate of Susquehanna University.

WILFRED J. SHEETZ
Business Manager

James Feather is the new administrative assistant. One of his major responsibilities is the initiating and coordinating of federal programs under NDEA and ESEA in our school district. The coordination of bus transportation, which involves assigning the right number of children to the proper buses, is his second major responsibility. After graduating from Shippensburg State College, he earned his M.A. at Columbia University.

As the district's school psychologist, Broni Krisukas pays both home and school visits. After receiving his B.S. degree at East Stroudsburg State College, he earned his M.A. at Temple University.

A vital aspect of a good school system is its administrative leadership. An efficient program depends largely upon capable administration by men dedicated to their field of work. Administrators must supervise the daily activities of the schools, observe teachers, coordinate information, and guide the education of many children. All persons working in this area are continually striving to provide a superior quality of education through the best equipment and teachers available.

ADMINISTRATION

Promoting the general health of our student body is the duty of Mrs. Gladys Hoffmeister, a graduate of St. Luke's Hospital School of Nursing. Her duties include assisting the school doctor, conducting helpful interviews with many students, and providing health services.

Secretaries Mrs. Joyce Flowers, Mrs. Laura Harding, and Jane Roth play an often unappreciated part in our school. Their efforts prevent confusion and provide efficient operation of our schools.

Throughout the year Frederick C. Benfield, principal of Nazareth Area Senior High School, visits different classes, discusses problems with teachers, deals with troublemakers and their parents, and greets visiting school officials. After receiving his B.S. degree from Dickinson College, he earned his M.S. at Bucknell University. With the aid of the faculty he has begun planning for the evaluation by the Commission on Secondary Schools of the Middle States Association of Colleges and Secondary Schools. Through this evaluation procedure, the senior high school hopes to identify the strengths and weaknesses in its program and to maintain its accreditation by the Commission.

As tenth grade guidance counselor, Margaret Ruch helps sophomores adjust to senior high school. Sponsor of the Student Council, Mrs. Ruch earned her A.B. degree at Albright College and Ed.M. at Temple University.

Guidance counselor for eleventh and twelfth grade students, Robert Reichard advises students on the problems of preparing for college or work. Sponsor of the Student Council and the Junior Class, he earned his B.S. degree at Kutztown State College and his M.A. at Lehigh University.

ENGLISH

One of the primary goals of our English curriculum is the mastery of written and oral communication. In addition to shaping our own communication, emphasis is placed on comprehending the ideas of others as expressed through literature and the various news media.

Instructors in our English Department guide us toward this goal by developing our skills in the areas of content, organization, sentence structure, diction, and grammar, plus a variety of additional techniques—literary and otherwise.

We strive to acquire an appreciation of literature and of the workings of the great minds of the world through our individual thinking expressed in concept writing and the evaluation of books. Our own creative talents find an outlet in THE GLEAM, our school literary magazine, THE BLUE AND WHITE STANDARD, our school newspaper, and THE COMET, our yearbook.

An increasing emphasis is being placed upon the laboratory technique in conducting grammar classes. This, in turn, leads partially into the fields of linguistics and semantics.

Programmed grammar instruction and the SRA Reading Laboratory are used in some areas, both for initial teaching and also for review. A new anthology highlights the reading tactics of word attack, sentence and paragraph meaning, and imagery.

Audio-visual material is being used increasingly in English instruction.

Through these various methods, our instructors seek to give us a practical and stimulating knowledge of our language. This skill is essential in all occupations, and is the foundation for studies in all other fields. The comprehension and command of one's language are the keys that open the door of the mind to new ideas and to a broadly enriched outlook on life.

SOCIAL STUDIES

From time immemorial man has been concerned first with himself, and secondly with others. This relationship has caused many complex situations. It is the aim of history to attempt to explain the past errors thoroughly so that the future will be a better era. The social studies enrich our minds by reviewing the great contributions of man, his concepts, and his strong determination to continue onward. Our social studies department, in offering World Cultures, American History, and Problems of Democracy, tries to fulfill these goals.

World Cultures teaches us about man himself, his life, his customs and traditions, and his thoughts. We study many nationalities, races, and civilizations, comparing and contrasting them with our own society. Helping us find and create these comparisons are Richard Schmoyer and Barry Boyer. Mr. Schmoyer, a graduate of Kutztown State College, B.S., and New York University, M.A., advises the COMET. Barry Boyer was graduated from Elizabethtown College with a B.S. degree. Mr. Boyer is coach of the varsity basketball team.

American History taught by Mrs. Miriam Zell, Ronald Lewis, and James Evanko, gives us a deep and true understanding of our nation's past, and aids us to appreciate and live up to our rich heritage. Mrs. Zell, an alumna of Susquehanna University with an A.B. degree, advises the Dramatic Club. Ronald Lewis, a graduate of Bloomsburg State College with a B.S. degree, is adviser to our popular Non-partisan Politician Club and is an assistant football coach. With a B.A. degree from Moravian College, James Evanko is head coach of the varsity football team.

In our Problems of Democracy classes we learn about the situations confronting our nation as a world power and how we as individuals are affected. The student is given a chance to examine himself, his ideas, and his relationship with his fellow man. Leading us in avid discussions and assisting us to solve our problems are Ronald Lewis and Quentin Zell. Quentin Zell was graduated from Muhlenberg College with a B.A. degree and received his M.A. degree from Lehigh University.

SCIENCE AND MATHEMATICS

Will we ever forget our science and math classes? For some it was a breeze, but most of us found that breeze turning into a strong gust as we memorized formulas we didn't understand at the time and solved six-inch long equations. However, there were guiding lights to set us on the right path—our teachers.

In the Science-Math department, Franklyn E. Kostenbader teaches Physics. He earned his B.S. and M.A. degrees from Moravian College and Lehigh University respectively.

FOREIGN LANGUAGES

Listening comprehension, speaking fluency, reading and writing are the main objectives of modern foreign language teaching in the secondary schools. Through the use of tape recordings and records, students become better acquainted with the different dialects. A knowledge of foreign languages is becoming more important as world travel increases. Fulfilling the need to understand other nations and their people will be a step toward world peace.

Conversational French and Conversational German are offered in grades seven and eight. French and German may be studied for six consecutive years—in grades seven through twelve.

Mrs. Ruth McGonigle, who received a Bachelor of Arts degree at Ursinus College, teaches German II and III. She is in charge of the Nazareth Senior High School newspaper publicity and is chairlady of the faculty advisers for the Delphian Chapter of the National Honor Society.

John Weaver earned his Bachelor of Arts degree at Ursinus College. He teaches German at the Junior and Senior High Schools. Mr. Weaver coaches basketball at the Junior High School.

LIBRARY

Our library is a place where students and faculty can find the resources necessary to enrich their learning experiences. Books, magazines, newspapers, pamphlets, filmstrips, and records are readily available for use by everyone. In addition to supervising the daily operation of the library, Miss Carol Ann Mann, librarian, is responsible for ordering and processing books which relate to the curriculum. Mrs. Ruth Anderson assists Miss Mann with her many clerical duties.

Because of the rapidly expanding book collection, it was necessary to provide additional shelving in the library conference room.

Miss Carol Ann Mann, who was graduated from Kutztown State College, received a Bachelor of Science degree in Education. Miss Mann gives library instruction and teaches the library assistants the basic rules of library work.

LIBRARY AIDES—Working as a library aide is extracurricular activity which gives the student a good background in working with books and the satisfaction of helping other students. Some of the duties of the aides are to sign out books, sign passes, keep the files and shelves in order, and prepare new books to be shelved.

Many Opportunities Are Available In The Field Of Business

BUSINESS

Our goal in business education is to develop the individual student to the limit of his capacity in those vocational skills which will enable him to enter the business world and earn a livelihood and to orient all pupils with the functions of business as it affects each individual consumer, no matter what his line of endeavor shall be in life.

Bookkeeping I teaches students to keep records and reports as an aid in the management of a business enterprise. The basic objective of Bookkeeping II is to increase the technical competence of those who will seek business employment as a bookkeeper or as a member of a bookkeeping staff. In Business Mathematics, students study procedures in problems in the field of the arithmetic of elementary commercial and business practice. These skills are used in every day business transactions. General Business helps to develop desirable economic attitudes: the willingness to assume responsibilities, the awareness of personal obligations to others and appreciation of the role of the individual, business, and government in our economic life. The main goal of Office Practice is to integrate all business training through a series of practical applications and other planned experiences that simulate typical business.

Shorthand I provides opportunities for students to develop adequate note-taking and transcription skills that can readily be adapted to personal use. Shorthand II teaches pupils to take the dictation which one encounters in a business situation with sufficient speed and accuracy to produce a mailable transcript. Typewriting I increases the students' ability to spell, punctuate, syllabicate, compose in good English, and apply this background knowledge to typewriting needs. Typewriting II orients the students to office practices, procedures, and equipment.

Miss Evelyn Kilpatrick was graduated from Bloomsburg State College with a Bachelor of Science degree in Business Education. Miss Kilpatrick teaches Business Mathematics, Typewriting I, and Personal Typewriting. She is the coordinator of the choral organizations.

Mrs. A. Jane Jarrett earned her Bachelor of Science degree at Bloomsburg State College. She teaches Consumer Economics, Record Keeping and Salesmanship, and General Business. Mrs. Jarrett is sophomore class adviser and manages the magazine campaign.

Mrs. Belva Kolessar, a graduate of Rider College, received a Bachelor of Science degree in Education. She teaches classes in Typewriting I and II. Mrs. Kolessar is an adviser to the COMET.

Mrs. Virginia R. Graver attended Syracuse University where she earned a Bachelor of Science and a Master of Arts degree. Mrs. Graver teaches Shorthand I and II and Office Practice.

Mrs. Mildred Metz received her Bachelor of Science degree at Rider College. She instructs classes in Bookkeeping I and II and Business Mathematics. Mrs. Metz is an adviser to the senior class.

One of the goals in advanced typing classes is to increase production speed while typing representative business problems.

HOME ECONOMICS

Curriculum in the courses in home economics encompasses a wide number of categories, each intended to prepare the student for the situations that she will confront in the near future. The girls learn basic sewing techniques, including the making of skirts and blouses, dresses, and woolen suits. They also study preparation of foods, child development and guidance, home nursing, family relations, and interior design. It is the aim of the Home Economics Department to instruct the girls both specifically and generally with the many facets of study that contribute in the making of a wise and careful homemaker.

Mrs. Judy Kehler, Home Economics instructor, is a graduate of Indiana State College with a B.S. degree in Home Economics. Mrs. Kehler is adviser to our F.H.A. club and assists with the Junior-Senior Prom.

Preparation For The Future Through Practical Experience

INDUSTRIAL ARTS

Industrial Arts is offered to students to provide an understanding of industry, methods of production, and the importance of the product upon modern social and economic life. Students, while practicing safety habits, make useful and beautiful objects, and are stimulated and encouraged to pursue hobbies and make minor household repairs. The Industrial Arts Department fulfills these goals while giving the student the satisfying experience of self expression leading to a finished product.

Andrew Brock teaches engineering drawing and industrial arts. He was graduated from West Virginia Tech with a B.S. degree and received his M.A. from Pennsylvania State University.

John Roanoke, a graduate of Millersville College with a B.S. degree, teaches industrial arts and metal work. He is the assistant coach to both the football and baseball teams.

ART

Creativity is the basic purpose of the Art Department. Students are encouraged to express themselves through the use of oils, water colors, clay, and other materials. In Crafts Class, the student not only expresses himself, but he also creates useful and unique items. The art classes make posters, helping to publicize the annual Chrysanthemum Show and the senior class play.

HEALTH AND PHYSICAL EDUCATION

Our Health and Physical Education Departments strive to develop in us an appreciation for the values of physical activity in becoming a well-rounded individual.

Knowledge gained through Health Education is basic to our future welfare and happiness. Raymond J. Nunamaker, who teaches Health and Boys' Physical Education and coaches varsity wrestling, holds B.S. and M. Ed. degrees in physical education from the Pennsylvania State University. James M. Roth also teaches Health.

Teamwork, coordination, and fitness, leading to a healthy body, and an attitude of cooperation, are the aims of our Physical Education Department. Ruth Ann McCay, a Pennsylvania State University graduate with a B.S. degree, teaches Physical Education. She coaches intramurals, cheerleading, and girls' basketball.

Andrew S. Leh, who holds a Ph.B. degree from Muhlenberg College and a M.A. degree from Columbia University, teaches Physical Education. He serves as Director of Athletics, varsity baseball coach, and coach for intramural basketball.

DRIVER EDUCATION

Developing the attitudes and skills of a safe and courteous driver is the role of Driver Education, which effectively combines theory in the classroom and first-hand experience in driving.

SENIOR CLASS

Two hundred and eleven boys and girls have combined their individual interests and talents to make our school's academic, athletic, and extracurricular programs successful for the Class of 1967.

Our class ranked high academically. Two seniors were awarded Merit Scholarship Letters of Commendation, and one placed as a semi-finalist in this nationwide competition. Eleven seniors received recognition as members of the National Honor Society.

Athletics gave many students a chance to develop skills. As sophomores, we were football and basketball league champions. In our junior year we were part of a four-way tie as league champion in football, placed first in the Northern Division in basketball, were involved in a three-way tie for league championship in wrestling, and won the league title in track.

Our class boasted of fine musical talent, both vocally and instrumentally. Seniors were active in the choral organizations and formed the Girls' Sextet and the Barbershop Quartet. A large representation was sent to both District and Regional Chorus, and three were sent to the National Chorus in Boston, Massachusetts. We contributed to the success of the band by placing two in District Band.

Many of us found that our interests were in the field of dramatics. Much hard work, patience, and practice went into the production of "Rebel Without a Cause" which played two successive evenings to capacity crowds.

Many other clubs and activities have given us outlets for self-expression and for a demonstration of true school spirit. Through these organizations and our daily contacts with each other in classes, we have grown to better understand our relationships with others in our school and in our community.

CUSTODIANS AND HOUSEKEEPERS

Smooth functioning of our school was due to the efforts of the people behind the scenes. Mrs. Yolanda Burley, cafeteria manager, and the cafeteria staff had the job of planning and preparing a variety of nutritious meals every day. Janitors and housekeepers maintained our school's attractive appearance.

Aside from the daily job of mopping the halls, sweeping and dusting rooms, and emptying waste baskets, custodians had to find time to repair leaking water fountains and numerous other odd jobs. Special staffs realized the importance of high standards of good health, well-balanced meals, and clean school surroundings, and did their best to provide these facilities.

Students Earn Citations

HUGH JONES was chosen as the Scholar-Athlete from Nazareth Area Senior High School by the Lehigh Valley Chapter of the National Football Foundation.

KIM ALBERT and PETER TOPPING were chosen by the sports writers as members of the Northampton County All-Star Football Team.

LINDA YOUNG, who received the highest score in the Betty Crocker Test, was named the Future Homemaker of Tomorrow.

KIM ALBERT and JOHN DOTO were selected as members of the Lehigh-Northampton League All-Star Football Team. This team was selected by the coaches in the league.

During School Year

ILENE NICHOLAS was selected as a semi-finalist in the National Honor Society Test and also as a finalist in the National Merit Scholarship Test. In the achievement tests taken in December, Ilene made a perfect score in English composition.

MARY SCHMOYER was elected the First Vice President of the State organization of the Future Homemakers of America. Mary received her degree at the Pennsylvania State Farm Show in Harrisburg.

MARY GETZ and BARRY MIKSCH earned letters of commendation as a result of their high scores in the National Merit Scholarship Test.

KAY FRANTZ was voted by the student body to receive the Daughters of the American Revolution Good Citizen Award.

JUNIOR CLASS OFFICERS—FIRST ROW: President John Jurasits, Secretary-Treasurer Ruth Ann Meyers. BACK ROW: Historian Janet Santo, Vice President John Schoeneberger. Missing from the picture is adviser Robert Reichard.

JUNIOR CLASS

Spaced throughout the junior year were many exciting "firsts." Early in the fall, eager students received their school rings and began to develop a class feeling. Tests seemed to be a predominant theme, as juniors tackled the P.S.A.T., the Merit Scholarship Exam, and the first try at the College Boards. Topping the year was the planning and work done by the class to create the Junior-Senior Prom.

The 279 members of the junior class participated in sports, musical activities, and the Honor Society. Many others earned places on the Honor Roll and the High Honor Roll. In this year, we started to think more seriously of possible jobs and careers, and all juniors had special guidance interviews.

The Class of '68 continues to show promise of becoming a memorable class.

SOPHOMORE CLASS

Confusing as it may have seemed, the daily activity of the Nazareth Area Senior High School has now become understandable to another sophomore class. The Class of '69, consisting of 246 students, have evidenced their school spirit in many ways. Sophomores attended games regularly in support of our teams. Various members of the class participated in the school's sports program, or in the area of musical development in the band, Sophomore Choir, or Girls' Glee Club. Many began to build a strong academic foundation by earning places on the Honor Roll and High Honor Roll.

At the beginning of the year, students made an important decision—what course to pursue through their high school year. They chose from College Preparatory, General Business, Secretarial, Practical Arts, or Vocational Education. Sophomores were confronted for the first time with a choice of electives and learned to spend time wisely.

With such a promising beginning, the sophomore class continued to make a place for itself in the records of our school.

Anne-Helene Hagrum, our exchange student, thinks about all the experiences she will tell her friends and family when she returns to Norway in August.

In her native costume, Anne-Helene speaks to local clubs and service groups about the customs of Norway.

EXCHANGE STUDENT

Nazareth High School's fifth exchange student came from Oslo, Norway. Anne-Helene Hagrum resided with Mr. and Mrs. Willard Sloggett and family.

Anne-Helene attended the Kristelig Gymnasium, a private Christian high school, with seven hundred students. She had to attend school six days a week from 8:40 a.m. to 2:15 p.m. Each school day consisted of six periods with ten minutes between each class.

Nazareth Students Enjoy

Anne-Helene and Ginger, her American sister, discuss the advantages and problems of our American democracy.

Anne-Helene's favorite subjects are her music courses. She enjoys home economics and crafts, which are not offered in college prep courses in Norway.

When asked to compare schools, Anne-Helene remarked that she had more homework in Norway, but it was not so mechanical. In her Norwegian school she remained with the same students throughout the day. She liked our system better because she is able to meet more people. Her future plans are undecided.

At home in Norway, Anne-Helene's father is an engineer and her mother is a housewife. Her sister, Marit, was an exchange student to Michigan in 1962-1963.

Jacquelyn Rolls, from Napier, New Zealand, was our first exchange student to be sponsored by the Rotary Club. Jackie came to us in January, due to the difference in seasons between the United States and New Zealand.

Jackie is a talented dancer and a student of ballet. In New Zealand, she instructed young children in ballet, while working in classes for intellectually handicapped children. Jackie would like to go to college, major in social science, and then become a social worker. Her hobbies include music, sewing, water skiing, and dancing—ballet, ballroom, and modern jazz.

School in Nazareth is quite different from that in New Zealand. Jackie attended Colinso High School, where she would have been head girl prefect this year. She served as head librarian for the school, during the regular librarian's absence. The largest difference in the two schools is that in New Zealand a school uniform is required. In winter, the girls wear a green-pleated jumper, white blouse, tie, gray stockings, black shoes, and a green beret. In summer they must wear a uniform also, consisting of green gingham frocks, white socks, and black shoes. School in New Zealand starts at 9 a.m. with four periods in the morning, an hour-long lunch, followed by three classes in the afternoon. Jackie has about the amount of homework that she had at home, but all homework there must be done in ink on white-lined paper, neatly, and underlined. No rough or careless work is accepted.

One of Jackie's biggest surprises was the casual relationship between the American student and his teacher. She was shocked to hear us address our teachers with a "Hi!" and to be answered in the same manner. Although our ways were different to Jackie, we all hoped she enjoyed her semester with us.

JACQUELYN ROLLS, our Exchange Student from New Zealand.

Cultural Exchange

Linda was Nazareth's first exchange student to enjoy our half of a two-way exchange. She was sponsored by the St. John's Evangelical Lutheran Church and by the International Christian Youth Exchange Program. Linda stayed with Dr. and Mrs. Ottakr in Stuttgart, Germany.

Linda attended Koniges Olga Schiff, Natur Wessenschaft Gymnasium, where she had a busy schedule of Latin, English, German, religion, mathematics, and biology. German students attend school Monday through Saturday from 7:45 to 1:30.

Linda, a member of this year's senior class, recalls her wonderful year in Germany. "As I think now about my time in Germany, familiar experiences and remembrances seem vivid. I remember the Germans, their courtly manners and their friendship. I remember, too, the harder times of adjustment and newness, but it is exactly these experiences which transformed my year in Germany into a most rewarding and exciting experience." Linda shared with us these and many more of her ideas on Germany.

LINDA YOUNG, Nazareth's Exchange Student to Germany.

FOOTBALL

Our Nazareth Blue Eagle football team finished the 1966 season with an overall slate of 5-4-1. They ended up third in the Lehigh-Northampton League with a 4-2-0 record.

The Blue and White started its ten-game campaign by bowing to a powerful Governor Mifflin team at the Andrew S. Leh stadium by a 20-19 score. It was a heartbreaking loss for the Blue Eagles, who amassed 411 yards in total yardage as compared with 240 yards for the Mustangs. Mifflin was first on the scoreboard when Trig Kleppinger broke into the clear and galloped 40 yards for a touchdown.

Nazareth came right back in the second quarter to score on a one-yard plunge by Kim Albert. Hugh Jones started the second half by scampering 29 yards to cut the Mifflin lead 14-12.

In the fourth quarter Nazareth started a stirring drive down the field and scored with 3:33 left in the ball game. Acker's placement was good, and Nazareth led 19-14.

But Governor Mifflin fought back, and scored with but 34 seconds remaining on the clock to upend the Eagles 20-19.

Nazareth won its first game of the season the following week against Hellertown. Defense played a major role in this 19-0 victory, holding the Panthers to a mere 98 yards in total yardage.

Kim Albert, Hugh Jones, and John Davis accounted for the Eagles' touchdowns and most of the 176 yards on the ground. Albert scored on a one-yard plunge, Jones on a 15-yard aerial from Tom Acker, and Davis on a two-yard run.

CAPTAIN HUGH JONES

Lehighton pulled out an 18-14 upset over Nazareth the following game. Taking advantage of three Eagle fumbles and one interception, the Indians came back strong in the second half to score two touchdowns in the final 12 minutes of play.

The Big Blue fell behind early in the game 6-0, but gained the lead just before the half when Albert scored on a one-yard run. Acker's placement split the uprights and Nazareth had a short-lived 7-6 lead at halftime.

Lehighton's two scores late in the contest offset an Acker to Pete Topping aerial as Nazareth went down hard to its second defeat.

Nazareth rallied late in the contest against Whitehall to earn a 7-7 tie in non league contest. Jerry Carol scored the lone touchdown for Nazareth on a 32-yard screen pass from reserve quarterback Jack Jurasits, while Acker added the all-important extra point.

Parkland edged Nazareth 7-0 in a defensive thriller as over 5,000 watched the Lehigh-Northampton League contest.

The following week Nazareth bounced back to blank Pen Argyl 19-0, as Kim Albert accounted for all of the scoring. The stingy Blue Eagle defense aided in the victory by holding the Green Knights to 54 yards on the ground.

Bangor almost upset the Blue and White, but a strong second half secured a 20-12 win on the winners' home field. Nazareth, sluggish in the first half, gained its winning form early in the second half and completely dominated play for the following 24 minutes.

J.V.'S Meet Tough Opposition

One of the biggest upsets by a Nazareth team in quite a while occurred when the varsity upended a powerful Dieruff team 13-6. Nazareth was in command from the start, but couldn't push across a touchdown until late in the third quarter. Kim Albert once again proved tough to stop as he scored all 13 points for Nazareth on runs of 3 yards and 1 yard, and kicked the lone extra point.

The Blue Eagles blasted East Stroudsburg 34-0 in its final '66 home stand. Dick Steiner, Jerry Carol, Hugh Jones, and Kim Albert all scored for Nazareth, as we rolled up a total yardage of 410 yards.

Nazareth's final game of the season ended in despair, as Wilson stopped the Blue Eagles 20-13. The Warriors' fired-up defense stymied the Eagles' ground attack, holding Nazareth to a sub-par 79 yards rushing.

Wilson was first on the scoreboard when Dan Boran sliced over the goal line from two yards out. John Davis came right back for Nazareth to score on the ensuing kickoff and tie the score at 6-6. But Wilson left the field at halftime with a 13-6 lead and had another score early in the third period to put the game out of reach for the Nazareth eleven. Albert scored in the fourth period to narrow the gap, but the Blue and White failed to hit paydirt again and suffered their second straight loss to Wilson.

CHEERLEADING

To encourage good sportsmanship, boost school spirit, and lead Eagle athletes to victory, are the duties of the varsity and junior varsity cheerleaders. These peppy girls are coached by Mrs. Ruth Ann McCay. The Blue Eagle mascot, James Cropper, helps to promote high spirit at football and basketball games.

Throughout the year the varsity squad organizes pep rallies, skits, and bonfires. The senior members on the squad are Sharon Abel, Helen Bartholomew, Ginger Sloggett, and Eileen Wolfe. Junior members include Diane Arduini, Patricia Douglas, Jane Keck, and Sue Kehoe. These eight girls cheer for varsity football and basketball games and wrestling meets.

The junior varsity cheerleading squad is comprised of four sophomores and two juniors. These girls assist the varsity squad in pep rallies and cheer for junior varsity basketball games, girls' basketball games, and wrestling meets.

BASKETBALL

Success in basketball has become a habit at Nazareth for Coach Barry Boyer and his Blue Eagle Cagers. This season marks the fourth consecutive year in which our Blue Eagle team has captured the Lehigh-Northampton League's Northern Division Title. Our 19-4 record is the result of hard work, team determination, and excellent coaching.

Nazareth began its long and rugged schedule by downing seven of its eight non-league opponents. These wins included victories over powerful teams such as Stroud Union, Emmaus, Whitehall, and Salisbury.

League competition began and Nazareth, once again, took over the league leadership by dumping its first four opponents. Bangor surprised our Blue Eagles, 47-46. Nazareth bounced back to trim Parkland, only to lose the first-half title to Bangor in a playoff game 55-53.

Nazareth then ran through the second half undefeated, and, once more, had to play Bangor in a playoff game. This time our cagers came out on top, 65-55. The season ended five days later when Nazareth dropped a close one to Salisbury 68-65 in overtime.

Our junior varsity team also displayed an impressive record. Their overall record was 18-2, as they compiled a perfect 12-0 record in league play.

WRESTLING

Nazareth Area High School's wrestlers once again proved tough to beat as they compiled an excellent 11-1-1 record, being 8-0-1 in league competition. They shared the Lehigh-Northampton League crown with Hellertown.

With much talent and two fine coaches, Nazareth went through the season crushing many of its opponents by lop-sided scores. As a team, Nazareth racked up a total of 493 points for the season, while holding their opponents to 111 points.

BASEBALL

With an overall 7-5 record, the 1966 baseball team finished the season 6-4 in league play.

At the hands of a tough Whitehall team, the Blue and White squad suffered its first loss 5-2. Nazareth went on to win the next five games over Southern Lehigh 4-0, East Stroudsburg 3-2, Pen Argyl 7-6, Wilson 2-0, and Hellertown 2-0. They found the road hard going as they lost to Bangor and East Stroudsburg by identical scores, 5-2.

In a wild contest, Nazareth downed Pen Argyl 15-14, as hitting dominated the game. The Eagles lost to Wilson 4-3, but bounced back to beat Hellertown 8-7. Nazareth finished the season on the short end of a 13-5 verdict to Bangor.

Head coach Andrew Leh expects a winning season in '67, as the majority of the squad are underclassmen.

TRACK

Nazareth's track team soared to great heights in '66 by winning eight dual meets, seven of them in league competition. The team completed the season by capturing the League Meet.

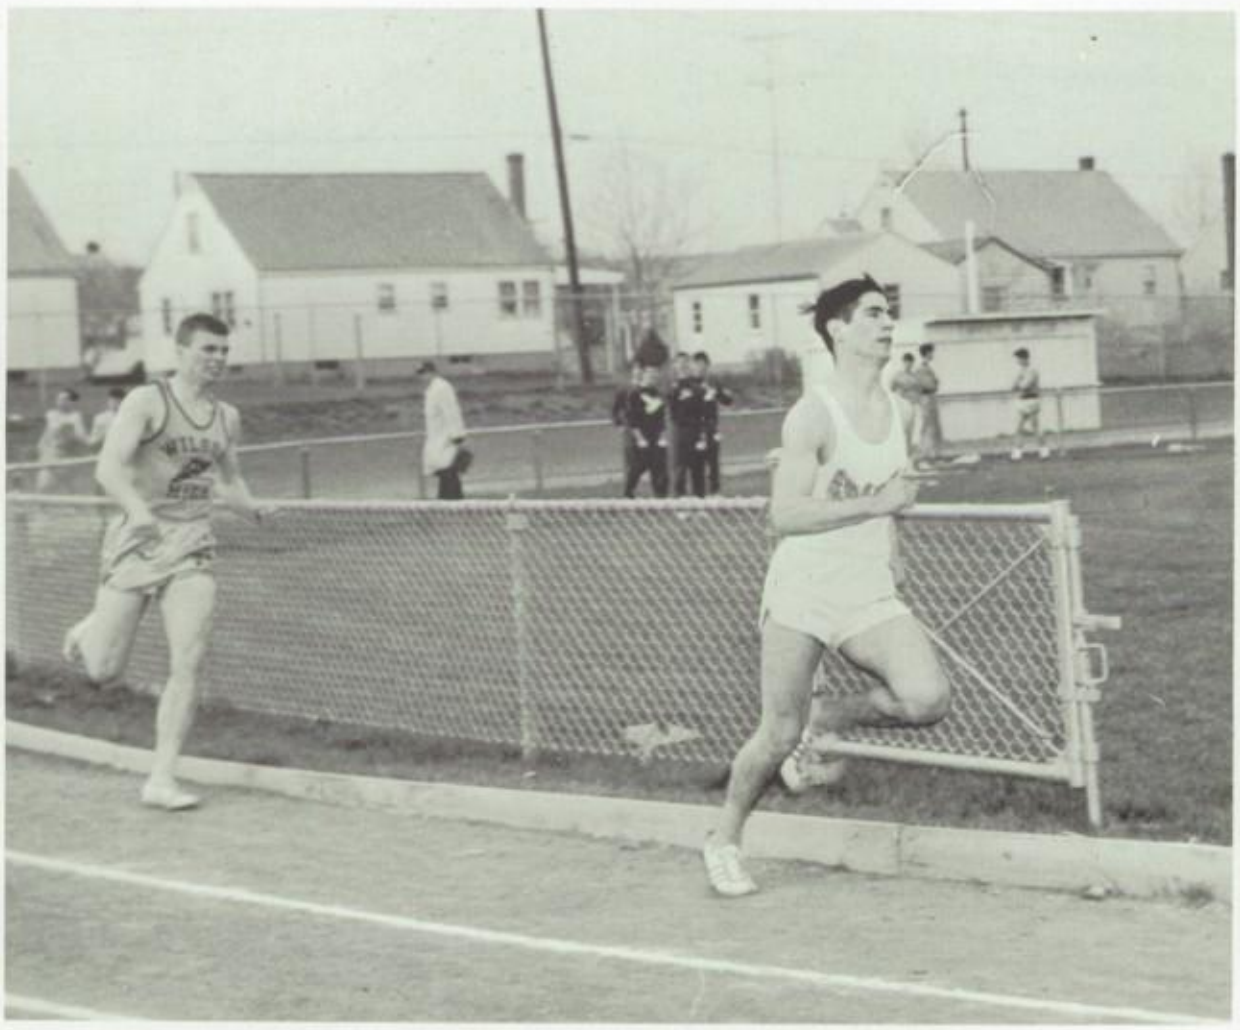
Nazareth started its winning streak by dumping Whitehall 66-24 as Ken Eckhart led the way with two first places in the 100 and 220-yard dashes. The Big Blue won the next three meets over Palisades, Hellertown, and Wilson by scores of 72½-26½, 58-41, and 76-23, as the Nazareth distance runners dominated the 880-yard run and the mile.

In the next meet, Nazareth trimmed Parkland 58-41, as depth played a major role in the victory. In the past four years, Parkland has lost only two meets, both coming at the hands of our Blue Eagles. Lou Schrenko was a double winner for Nazareth, winning the pole vault and broad jump.

Depth again was needed to secure a 53-46 win over Bangor. Nazareth had but four first place winners, but used nine seconds and nine thirds to clinch its sixth straight dual meet. In the next two meets, Nazareth downed East Stroudsburg 70-29 and Pen Argyl 67-32. John Doto set a new Andrew S. Leh stadium record in the shot put with a heave of 46' 3¾". Doto set another field record, this time at Pen Argyl with a toss of 49' 7¾".

Nazareth ended its season by winning the League Meet in exciting fashion, using depth and a strong comeback to secure a 50-49 win over its closest competitor, Bangor.

Nazareth was represented at the state meet by Larry Muschlitz, William Kehoe, Bruce Flick, Les Tamandl, Gerald Lilly, John Davis, and Gail Smith.



JOHN DAVIS turns on the speed as he rounds the final bend to win the 440.

TENNIS

Posting a 10-4 record, the 1966 tennis team produced the best season in tennis at Nazareth since the sport was initiated.

The Eagles started off by winning their first four out of five matches. They went on to victories over Emmaus, Reading, Wilson, Dieruff, William Allen, and again with Emmaus before losing to Easton in the final match.

Sterling Buss and Neal Wolfe represented Nazareth in the District XI tennis championship. After defeating William Allen High School 9-7, 4-6, and 6-4, they lost in the semi-finals to Bethlehem High School.

Next season must be one of rebuilding, as Sterling Buss, Glenn Hahn, and Thomas Clewell were lost through graduation. All three were on the team for three years. The only returning letterman for the 1967 season will be Neal Wolfe.

GIRLS' BASKETBALL

Nazareth High School's Girls' Varsity Basketball team finished their season with an even 5-5 record. They were led by captains Christine Rundle, Kay Frantz, and Jane Frey.

The Eaglettes started the season by defeating Southern Lehigh 39-28 and Bangor 23-21. After losing to Pen Argyl, but defeating Wilson, the girls went on to a three-game losing streak. Their losses were to Parkland, Southern Lehigh, and Bangor. They went on to win their last two of three games, losing only to Parkland once again.

Next year's team will be without the services of four seniors: Carol Paukovits, Kay Frantz, Christine Rundle, and Jane Frey.

HONOR SOCIETY

It has always been considered a great honor as well as a privilege to become a member of the Delphian Chapter of the National Honor Society.

To be eligible to join this organization, a junior must have a final average of 90 per cent or better at the end of his sophomore year. Seniors must have a final average of 88 per cent or better to be eligible. Prospective members must have the approval of the faculty.

Induction ceremonies were held during a special assembly before the student body. Selected members were given the duty of making acceptance talks. The qualities of an Honor Society member were discussed—scholarship, character, service, school citizenship, and leadership. A candle was lit for each quality to symbolize its presence in each Honor Society member.

Having been inducted into this outstanding Chapter, each student must maintain his high scholastic average throughout the year.

Members are given a pin in the shape of a torch, the symbol of the Delphian Chapter of the National Honor Society.

Advisers Mrs. A. Jane Jarrett, Mrs. Ruth McGonigle, Robert Reichard, F. C. Benfield, and J. Frederic Knecht provided the guidance for the Society and its members.

The Society was the guest of the school at a spring banquet when new members were inducted. School officials and our exchange student, Anne-Helene Hagrum were guests.

STUDENT COUNCIL

Suzanne Snyder was elected president of the Student Council for the 1966-1967 school term. The council members were voted at a regular election held in school. Council is composed of 16 seniors, 12 juniors, and 8 sophomores.

The purpose of the Student Council is to improve the school's student activity and to suggest new ideas for the year. This year the Council bought artificial Christmas trees which were used at the Christmas concert and the Christmas dance. Another idea was a MORP dance, which was the complete opposite of a Prom.

Various services provided by the Council were managing refreshment stands at the football games, sponsoring school dances and parties, and helping plan school assemblies. Meetings were held the second and fourth Monday of every month.

In order to coordinate student-faculty relations, the Council is advised by Robert Reichard and Mrs. Margaret Ruch. The members must show interest in our school and in the student body by providing the leadership necessary to the successful program of any school. Because the Student Council is one of the most important school functions, it is worthy of the support of every student.

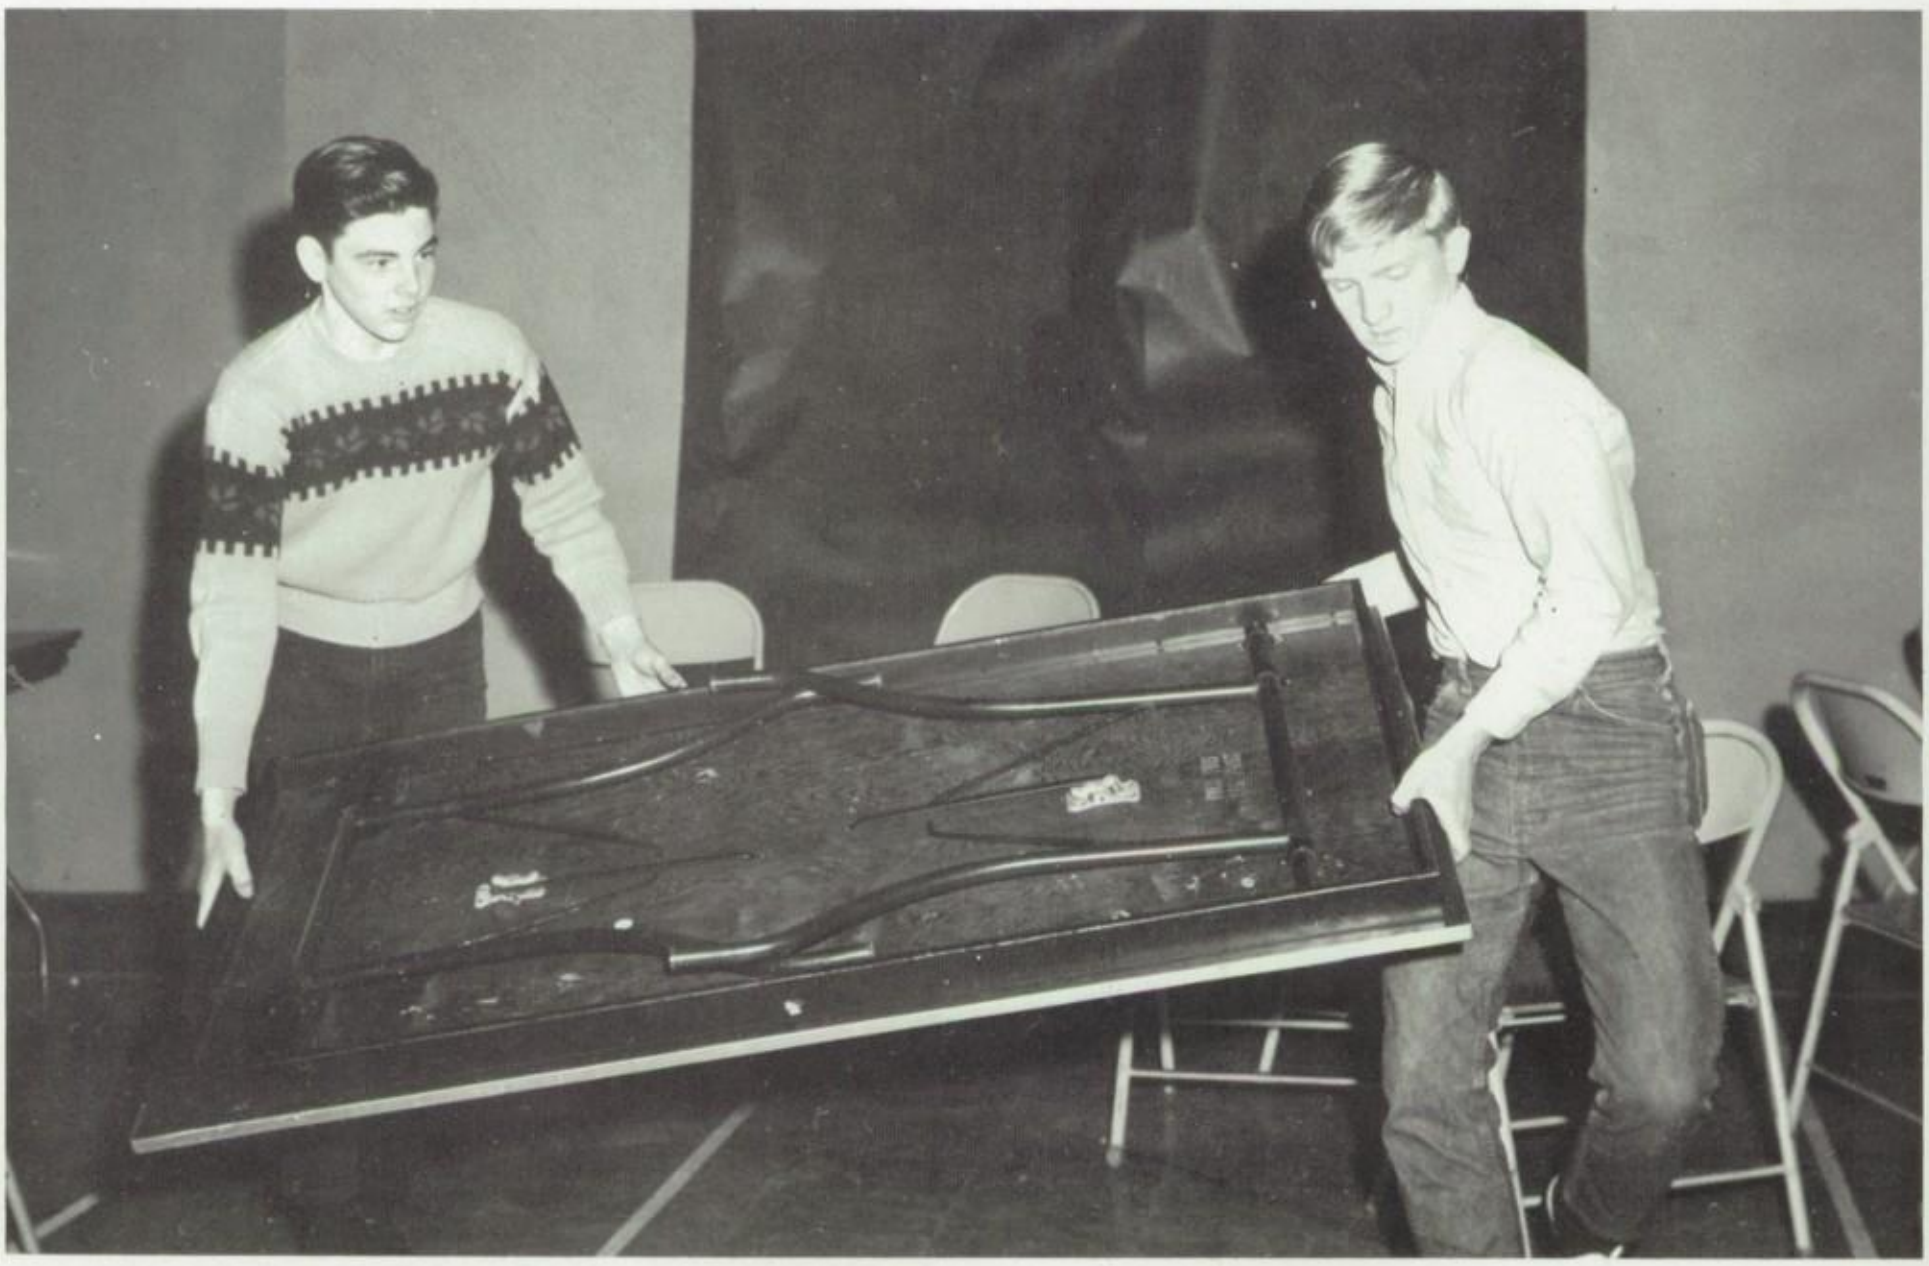
PROM

Members of the junior class were asked to submit ideas for the theme of the 1966 prom. After a month of planning, the theme "Daisie Soiree" was chosen by the officers of the class.

Committees worked diligently for months before the dance, contributing all their free periods and many evenings after school.

Advisers were Robert Reichard, junior class adviser; Mrs. Judy Kehler, home economics teacher; Miss Jacqueline West, English teacher; and greatly-appreciated help from Thomas Itterly. Theme committee chairmen were Susann Arndt, Terry Mackes, and Jane Reph.



REFRESHMENT TIME—Tables and chairs were placed in the gym where couples could eat, chat, or rest. Kenneth Keefer and William Dietrick are setting the tables in place.

PROM

Decorations for this year's prom were different in many respects. Instead of the usual moonlight and roses theme, the junior class employed a discotheque theme which they felt was most representative of their generation.

Daisie Soiree, the theme, was created by use of black and yellow, the decorations including a spiral staircase in the center of the gym. Black and yellow striped walls and daisy trees were highlighted in the glass panels behind the queen's throne. The music was provided by Bud Rader's orchestra. Immediately following the prom, couples were served a buffet lunch and were entertained at the George Washington Motor Lodge.

Junior class members voted Ingrid Goserud queen, with the four runners-up becoming the attendants.

Highlighting the prom was the coronation of the queen. Donald Jones, president of the junior class, escorted Ingrid to the throne and crowned her Queen of the 1966 Junior-Senior Prom. She was presented with a bouquet of long-stemmed roses. Gary Shultz and Kim Albert gave the queen's attendants baskets of yellow daisies.

Attendants of the queen were Dandie Marsh, Susan Heckman, Cynthia Tauschman, and Joan Thompson. Escorts included Donald Jones, Louis Schrenko, John Davis, Kim Albert, and Gary Schultz.

Spring atmosphere of the prom was complemented by the music of Bud Rader and his orchestra.

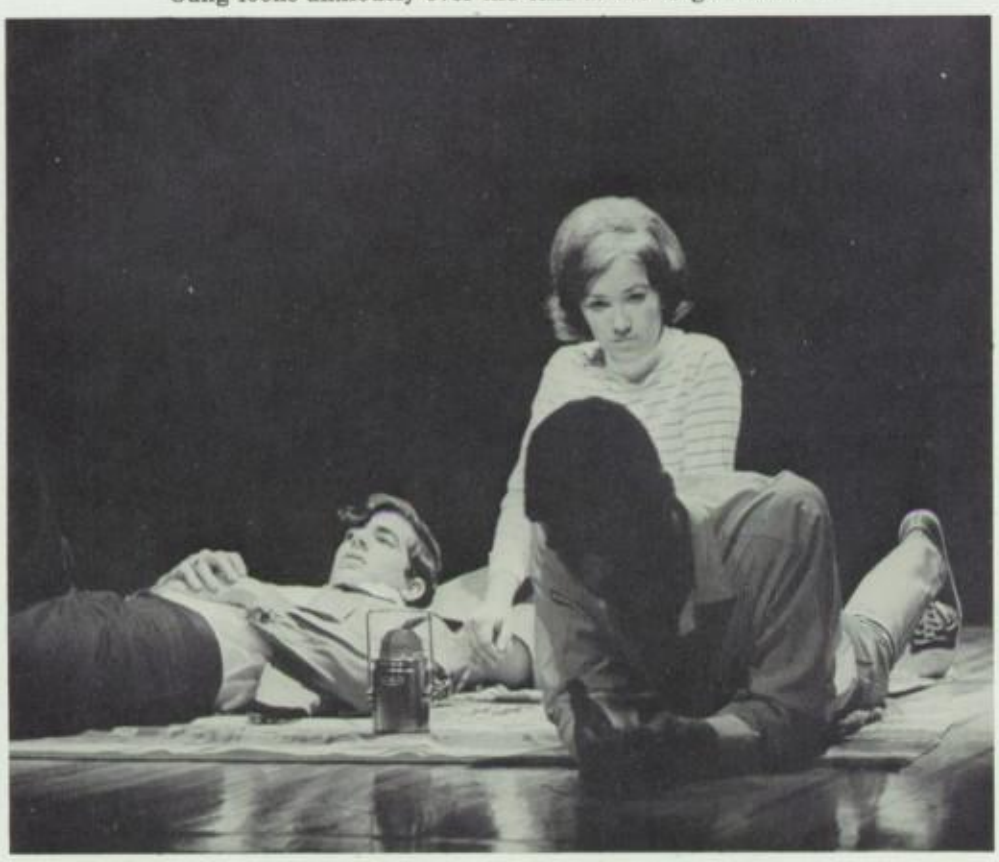
"Rebel Without Cause" Draws Capacity Crowds

Our senior class play, "Rebel Without a Cause," was a three-act drama dealing with problems of teenagers. This departure from the traditional comedy was well received by a full house on both nights of its presentation. Other innovations included refreshments during intermission and colorful fashions worn by the student ushers.

Russell Klein, in his first year as director, introduced new methods of staging and production. A series of acting lessons preceded the rehearsals. Changes of scenery were made without closing the curtains, and the props were representative of a complete stage setting. These fresh approaches formed an effective background for the theme of the play, the Rebel.

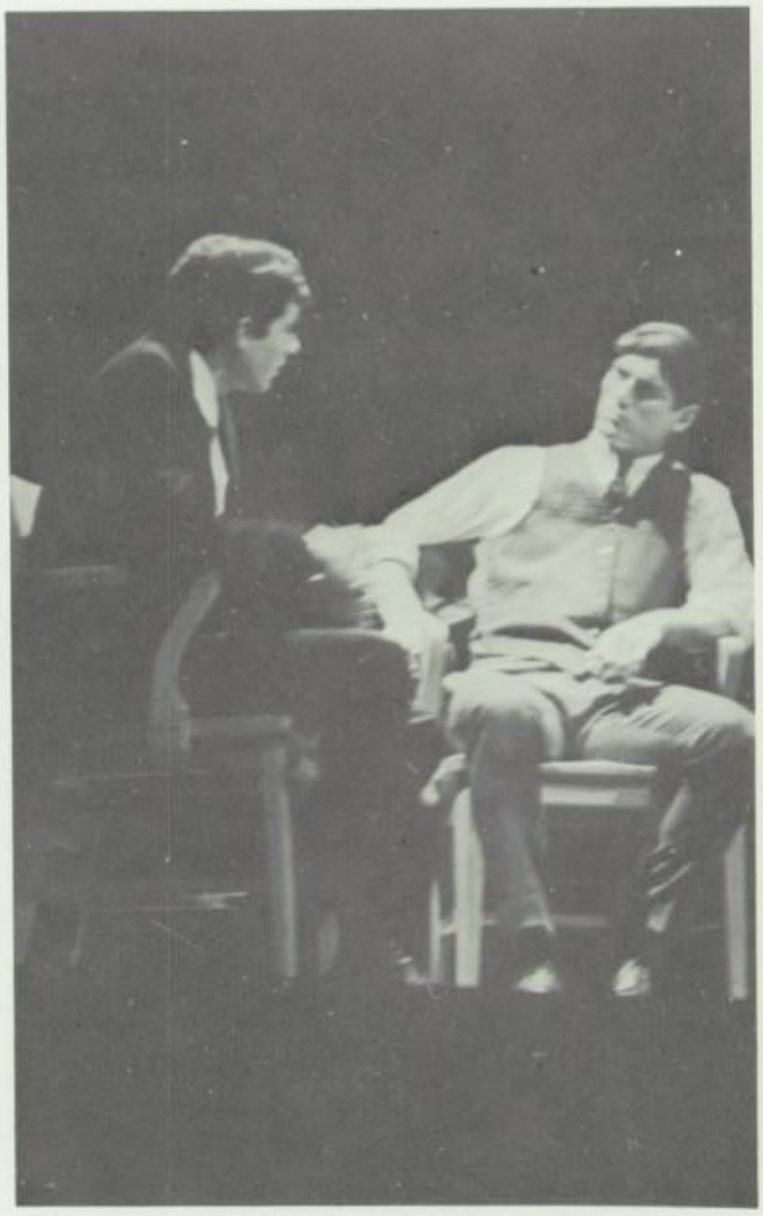
"Well, are you going to wait all night? I'm getting nervous, man! We got to *do* something!"

Gang looks anxiously over the cliff at the tragic accident.



"My dad's a big wheel in Chicago."

"No, Jim, we don't want you to lie, we just want you to sit down and think this thing out."



"Do you really mean it, Ray? Can I come here whenever I feel like letting off steam?"

"I want answers, not back talk."

Choral Concerts Provide Students And Public With Delightful Entertainment

CHORUS

Nazareth Area High School's music program has been aimed to develop students' talents as well as to provide a suitable choral program for the student body.

This year, the choral groups presented a Christmas Concert and a Spring Concert, both of which received favorable comments from an appreciative audience.

Aside from the four choruses, two groups, the Girls' Sextet and the Barbershop Quartet, complimented the singing at the concerts and assemblies.

Floyd E. Schlegel, choral director, received his B.S. and M.Ed. degrees at Penn State University. Mr. Schlegel teaches music theory, music appreciation, and gives lessons on the school's organ.

BAND

Director of the high school band, Augustine C. Weinhofer, teaches instrumental music. He received his A.B. degree at Muhlenberg College and his M.A. degree at Lehigh University.

The Nazareth High School band spends many hours practicing the various routines presented at football games. The band participated in Nazareth's annual Halloween Parade and also the Memorial Day Parade. It takes part in special events, such as play-off games and assembly programs during the year.

Two members of the band, Harry Beers and Bruce Winter, represented our school at the District Band Festival held at Boyertown Junior High School.

In order to provide entertaining routines and precision drills, the majorettes, headed by Kay Frantz, practiced many long hours.

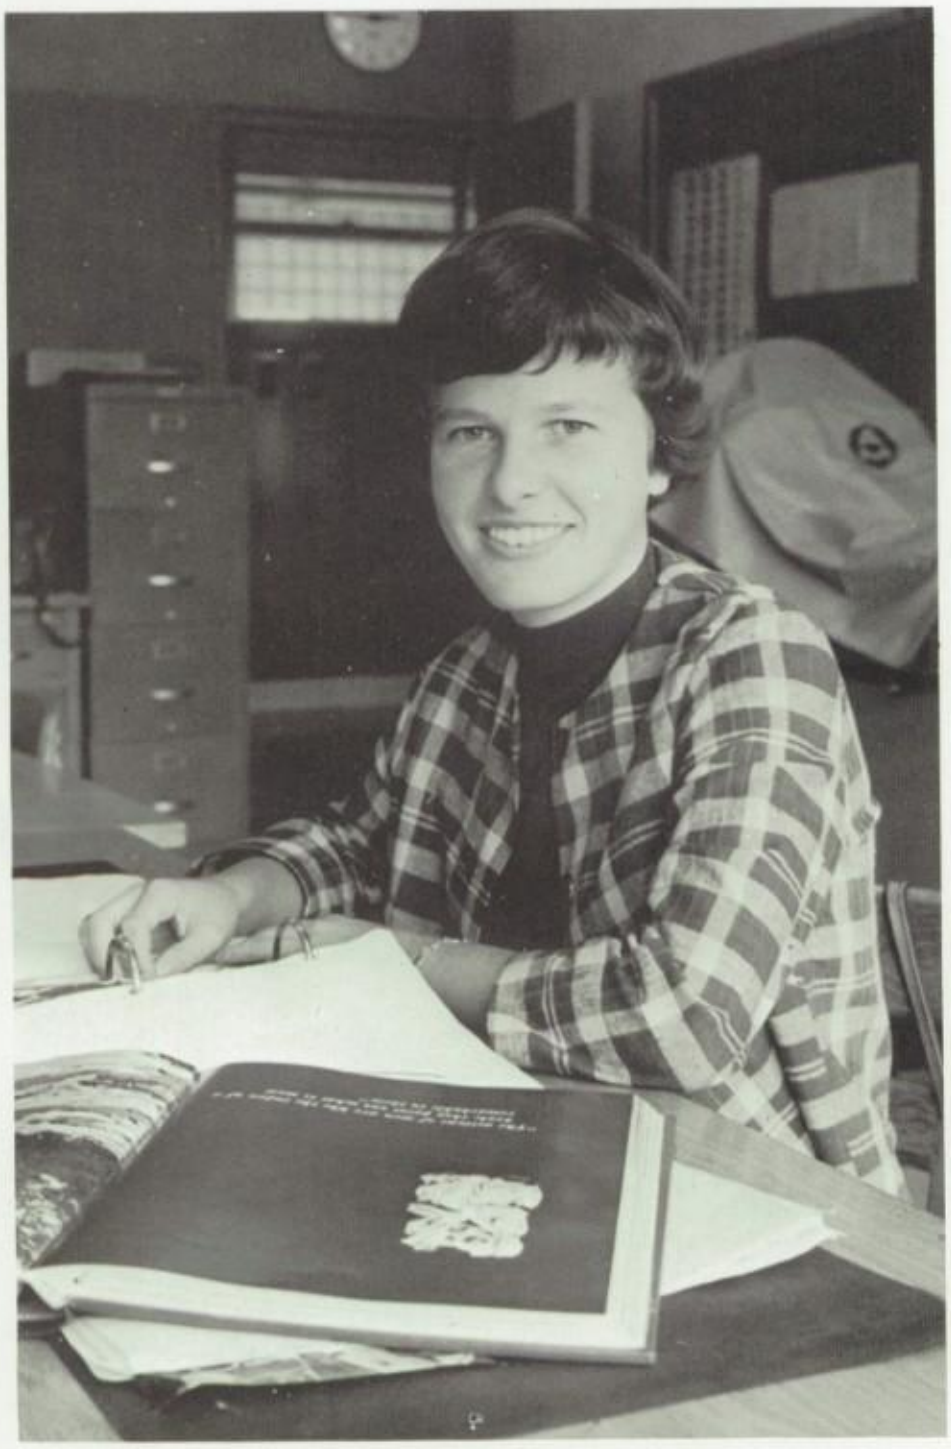
ADVISOR RICHARD J. SCHMOYER

After many hours of planning and discussion, the staff approves the set up of the 1967 yearbook.

EDITOR—Mary Getz approves the plan and layout for the divider pages.



Yearbook Comes Alive

YEARBOOK

This year's COMET staff gained many new ideas for yearbook production through the Columbia Scholastic Press Association Conference. This event, which is in its twenty-seventh year, was held on the Columbia University campus in New York on October 14 and 15.

Instruction was given for the planning of a yearbook theme and selection of a cover. Ideas for better layout, copy, and photography were also added.

Our staff worked hard employing these various tactics to make the yearbook representative of the lively atmosphere of the school and a memoir of this important time in our lives.

Student life was depicted by various candid shots of our classes, extra-curricular activities such as sports, music, and art, and by descriptive copy.

The staff planned each section to coordinate the heading with the general layout and copy. The yearbook photographer, Edward Gable, provided interesting photographs to add to the overall appearance of the pages. Besides the everyday routine of deciding which pictures to include in the football layout or where to crop the prom pictures, the COMET staff had to plan ahead for future deadline dates.

Advisers Mrs. Belva Kolessar and Mr. Richard Schmoyer helped the staff prepare a better and more modern yearbook.

COMET STAFF writes and rewrites to present interesting copy in the yearbook.

With New Ideas

STAFF MEMBERS are always on the lookout for new and different ideas to complement their layout.

COMET STAFF—STANDING: Karen Benckert, Suzanne Ritter, Louis Schrenko, Edward Gable, and Judy Scheffler. SEATED: Mayna Rader, Carol Paukovits, Terry Mackes, Ginger Sloggett, Mary Getz, and Ilene Nicholas.

BLUE AND WHITE STAFF MEMBERS—SITTING: Kathy Frisch, JoAnn VanNatta, Ann Altemose, Caroline Abel, William Gordon.

STANDING: Milou Halberstadt, Janet Gabarick, Kim Kostenbader, Paula Smolenak, Carol Anstead.

Adviser Jacqueline West plans a new issue of the Blue and White with Linda Lieberman, Kim Kostenbader, Holly Kennedy, and Vicki Brown.

STAFF MEMBERS—Holly Kennedy, Jacqueline Kessler, Charles Rice, William Miller, Linda Lieb-

Blue And White Puts Nazareth High Life Into Print

THE BLUE AND WHITE STANDARD
SCHOOL NEWSPAPER

Blue and White staff members worked tirelessly to turn out a paper which would please the student body and give staff members valuable experience in working with all phases involved in publishing a paper.

Sports articles gave us lively descriptions of games we might have missed. Stories and themes provided pleasurable reading, and we all enjoyed searching for our favorite hit tune in the list of the top ten hit songs.

Behind the scenes, reporters sought out and wrote copy, editors proofread the copy and suggested corrections, and everyone pitched in to paste up the dummy and get the copy back to the printer before our deadline.

Each month we looked forward to distribution day, and hastily grabbed our copy in the last few minutes of homeroom period.

Everyone put forth a big effort to produce the paper and make it a record of our school life.

COMET STAFF—Ginger Sloggett discusses the senior class layout with Ilene Nicholas. Editor Mary Getz plans the yearly schedule of duties for the staff.

Thank You From The Comet Staff

In Appreciation

Our COMET staff is indebted to many people for their efforts in making our yearbook a success. With their guidance and sacrifice of time, we seniors gained valuable experience in organizing and publishing our yearbook.

We extend our thanks to—

RICHARD SCHMOYER—yearbook adviser, whose patience and help made the 1967 COMET possible

MRS. BELVA KOLESSAR—yearbook adviser, whose typing skills and knowledge of yearbook techniques were invaluable

ROBERT LICHNER—for his assistance with the art work

TAYLOR PUBLISHING COMPANY, Dallas, Texas—for their professional advice and innumerable courtesies throughout the year

MATT LYNOTT—local representative for Taylor Publishing Company, for his guidance and inspiration in the development of our yearbook

ABE ORLICK, Davor Studio—for his cooperation and excellect advice in taking senior portraits and candid shots

PAUL STULL, Stull's Photo Service—for action shots of sports, the senior play, various activities, and ads

KEN WELTY—for the donation of basketball photographs and for his work on sports candids

COLUMBIA SCHOOL PRESS ASSOCIATION—for the skills gained at the Conference

F. C. BENFIELD—for the courtesy shown to the yearbook staff

NAZARETH AREA SCHOOL BOARD—for the cooperation in providing time to publish the COMET

FRANCIS FRIEDHOFF—for his help in developing the pictures taken by student photographers

EDWARD GABLE—for his time and interest devoted to photographing school activities

MARY GETZ—editor of the 1967 COMET, for her many hours of hard work

CAROL PAUKOVITS AND MAYNA RADER—assistant editors of the 1967 COMET, for their assistance to other staff members

HERBERT F. COBLEY—for his assistance and advice in compiling the information for the introduction

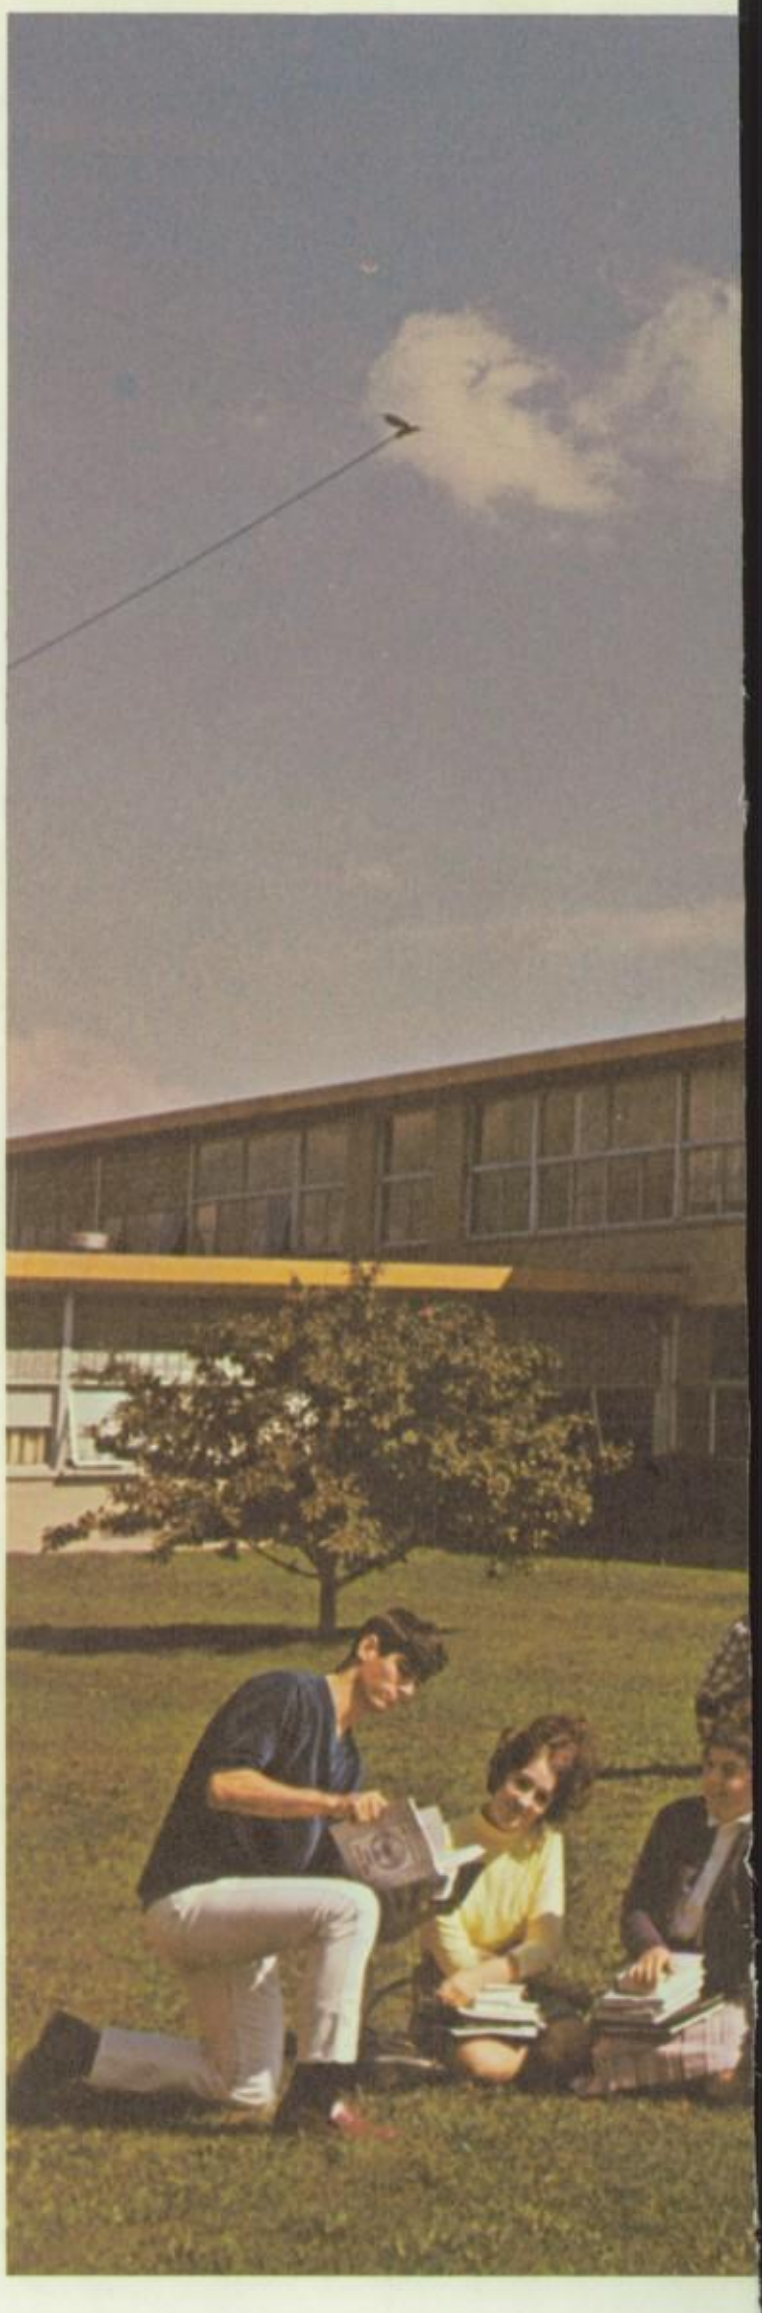
We Meet New Challenges In Our School And Community

Quietly the days of our high school years have sped by. The day of our graduation is near. Soon we will be expected to take our places as responsible citizens of this country. Though we eagerly anticipate the years ahead, we are strangely reluctant to leave the haven of high school. We are wondering if we are capable of meeting the future successfully.

Graduation means the completion of something. In this case, we have finished a basic course of studies, which was designed to prepare us for our future life. Many of the courses we have chosen during high school will have a practical application in the jobs we find. Strictly academic subjects will greatly help those of us who will continue their education in college. Our school's program also requires the completion of physical education classes, and provides a wide athletic program. These offerings have given us the basis for a program of physical fitness which we can continue in our daily lives.

Our graduation means that we are leaving behind many wonderful memories. Friends may part and rarely see one another again. The sense of participation in the school sports program is lost. The carefree dances and assemblies that we all enjoyed become memories.

Graduation ceremonies are often given another name —Commencement. Commencement refers to a beginning. In this sense our break with old associations is merely the start of a life more meaningful and richer than high school. Although we may not be aware of it now, our teachers and parents have given us many useful experiences that we can build upon to form this future life.

Thus, all the activities of high school are behind us now. Ahead lies an uncertain future. World crises are becoming more and more frequent. Our generation is challenged with innumerable problems that cry out for solution. We are standing on the threshold of tomorrow, but we shall not easily falter. Our high school years have provided a foundation for us, so that we can go out and build that better tomorrow.


As this school year and this book come to a close, we want to thank our teachers and the community for giving us this opportunity to prepare for our future. We appreciate the hard work and the planning that have enabled our school district to make the progressive changes so necessary to meet the challenges of today. It is our hope that we shall return to the community those talents developed by our experiences, so that the community might prosper and grow.
